Crownsville, MD. August, 2010. Artistic Designs Group, LLC is excited to share the news that we recently signed on a fresh new face to the ADG design team. ND Art & Design collections will be available to all of our current and existing partners immediately.

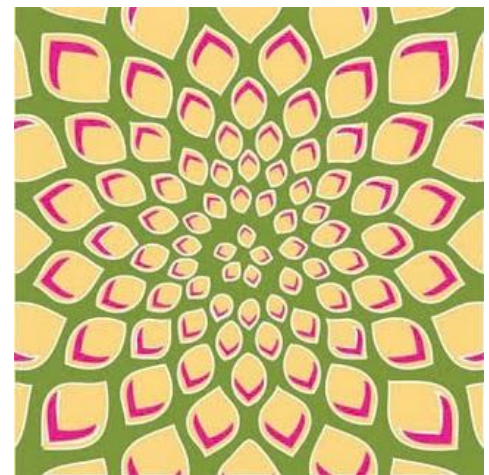

“We are very pleased to work with Nicole DeCamp of ND Art & Design. Her great eye for design and color as well as her ability to read the market and provide clean fresh looks for our manufacturing and retailing partners will be a great asset.”  
Julie Ager, Licensing Director. Artistic Designs Group, LLC.

Nicole started her career as a graphic artist in the advertising industry. As an experienced graphic designer, she has spent most of the past decade designing products for an international party supply house as well as developing her own line of stationery products. The talent she has developed, as well as the confidence and experience gained, has allowed her to again branch out and license a variety of special designs for a wide range of products.

“I have always been an artist. it's really who I am, and what I am passionate about. I'm inspired by my surroundings, my friends, my family, nature, and everyday life”, says Nicole DeCamp of ND Art & Design. I am sure you join with our excitement at Artistic Designs Group about the current and new designs which this will bring to the market.
